S'ode gran strepito sotterraneo, la statua di Nettuno si scuote. Tutti rimangono attoniti ed immobile per lo spavento. Una voce profonda pronuncia la seguente sentenza del cielo. (Idomeneo cessi esser rè... lo sia Idamante.. ed Ilia a lui sia sposa. Man hört ein unterirdisches Geräusch und das Standbild Neptuns geräth in Bewegung. Alles erstaunt und ist sprachlos vor Schrecken. Aus der Tiefe ertönt eine Stimme; sie spricht die Worte aus: (Von nun an entsage Idomeneus dem Throne, fortan sey Idamant König und seine Gattin sey Ilia!
